April 2015 Update

Dear Gregg,

CANDIDATE ORIENTATION AND GO! MISSIONARIES MARCH 27, 2015

CANDIDATE ORIENTATION

Eight missionaries (and spouses) have recently completed Candidate Orientation. My ministry with these leaders will be to disciple, pastor, coach and provide skill development during their support raising journey. Support coaching can last from one to two years. After Orientation, I meet with each leader on SKYPE every other week until they are fully funded.

GO! CANDIDATES

Congratulations to the five missionaries (and spouses) who attended the GO! Conference. The GO! Conference is for our nationally appointed candidate missionaries who raise their complete budget and become fully funded. At the GO! Conference they are officially commissioned and released as career missionaries to impact their university mission field for Jesus!

- | | |
|--------------------------------|--------------------------------|
| ◦ James and Kim Boley | S.E. Missouri State University |
| ◦ Paul and Crystal Burkhart | University of Alaska |
| ◦ Gregory and April Mahaney | University of Toledo |
| ◦ Jordan and Katie Goodie | West Virginia University |
| ◦ Kyle and Brittany McAllister | Ohio University |

This conference is always an extraordinary time for me. To begin working with the new Candidate Missionaries and finish working with the GO! Missionaries. **Your missions investment in us makes all this possible, thank you! And imagine the hundreds of students these missionaries will reach for Christ!**

WEB DEVELOPMENT

The main part of the training material I've developed is a 34 page fillable PDF. It takes about 3 hours to complete and produces 4 different 30-Minute Presentations, one for each main area of the missionary's ministry. The equivalent would take 2 days in a conference setting learning the material and developing their own presentations.

The next major step is to change this PDF into a web based form. This will enable missionaries to go to a website and use the material. This process will avoid the glitches that sometimes happen with downloading a file to a personal computer.

As it took 550 hours to create the PDF, changing it to a web based form will be extensive. The Lord has provided a source who can do this work. **Please pray** all will go well and we can have the form ready and debugged by August 1st for our next candidate orientation in the fall.

GLUTTING FAMILY PRAYER

Please pray for Phil and Tara as they are finalizing their wedding plans for May 16, 2015.

Pray for Jordan as he's looking to return to school and work on a BA. **Pray** that the Lord would direct his steps and decisions.

Pray for Erin as she is working in a seasonal test scoring job. **Pray** that she excels in her efforts.

Pray for Gregg as works with 8 new missionaries. **Pray** that his efforts will meet the needs for each individual leader.

Thank you for your investment in the next generation of front-line career missionaries on university campuses!

Yours for the souls of collegians~

Gregg & Erin Glutting
