

# the most crucial time in life

## reaching the lost

Eighty five percent (85%) of people come to Christ by age 25. For many, their time at campus represents the last great opportunity to be reached for Christ.

**chi alpha  
campus  
ministries**

Our goal is that every one of the 60 million college students in the world today would have the opportunity to hear about Jesus Christ.

## protect our youth

- Many high school students, **nearly 80%**, who have been active in their youth group and church fall away from God while attending secular university.
- We must protect the investment we have made in our youth!
- Born again believers can thrive for Christ on campus through being connected to like-minded Christ followers.

## international student ministry

- Over 700,000 foreign students from around the world are on our university campuses in America.
- They are hungry for our friendship
- We can reach them with the love and message of Jesus Christ
- Many students come from countries "closed" to the gospel.
- Yet, they are coming to us!

## reaching our future leaders

- Students on college campuses today are our leaders of tomorrow.
- They are the next generation of doctors, lawyers, politicians, teachers, media executives, moms and dads.
- If we truly desire to reach our world, we have to start where community leaders are shaped.
- Chi Alpha's passion is to train up leaders who will graduate and impact their world for Christ.

## what is chi alpha?

Chi Alpha is an interdenominational collegiate ministry committed to spreading the gospel of Jesus Christ to campus communities and calling students into a personal relationship with Him. Chi Alpha takes its name from 2 Corinthians 5:20 where Paul says that we are Christ's Ambassadors. Here the Greek words are christou apostoloi, meaning Christ's sent ones.

## what is chi alpha's mission?

Chi Alpha's mission is to reconcile students to Christ; transforming the university, the marketplace and the world.

## my method of support

Like many other missions organizations, Chi Alpha workers depend upon the gifts of friends and churches that have a heart for young people on campus. Each Chi Alpha missionary is responsible for raising his/her personal support. I must find a team of partners who will give financially to support my ministry.

## we are about changed lives

## my commitment

- To work diligently to reach and disciple people in the Lord.
- To keep you informed on what God is doing in our ministry.
- To share prayer concerns with one another.
