July 2014 Update

SUPPORT RAISING WEBINAR

Seven Chi Alpha (XA) Missionaries signed up and participated in the BETA Support Raising Training Webinar. The XA leaders said the materials and format were very beneficial. The webinar consists of four 75 minute live sessions, held once per week.

The leaders meet on-line as peer coaches during each week to practice the skills from that week's webinar. This is an amazing way to train leaders through the internet who are located at great distances from each other. In the near future I hope to work with some missionaries in Europe who are considering the webinar training for this fall.

REACH THE UNIVERSITY INSTITUTE (RUI):

RUI was held in Springfield, MO, June 7-16, 2014. There were nearly 200 students and staff who attended the student track (pictured below). The main sessions and break out sessions are designed to equip students to do effective ministry on their campuses. It was a joy for me to pray with students during the alter ministry time.

LIFE COACH TRAINING

The Chi Alpha Life Coach Training track (pictured below) was also held during RUI. The Life Coach Training schedule consists of two, 2-day training sessions. The first 2-day session was June 2014, the next 2-day session will be June 2015. Over the next 12 months I'll be leading 6 conference calls with these new coaches to help develop their coaching skills.

SUPPORT RAISING TRAINING

The Support Raising Training conference (no photo) was held at the end of RUI. Curtis Cole and I led the training. We had nine XA missionaries participate in the 20 hour training session. Here are testimonies from some of the XA leaders:

"This training has provided so much encouragement and wisdom. First we looked at why support raising is biblical which laid a confident foundation in the endeavor...Last...we practiced and refined our practical skills and steps of support raising, and I feel so much more confident!" Sarah S.

"I think it was very empowering and encouraging. The hands-on (skill practices) activities were really beneficial and the amount of prayer was great. Curtis and Gregg were very knowledgeable and approachable. Erica D.

"It was a great time and I got so much out of the 20 hours of training. I think it was done very well. I am leaving with greater confidence." Dolan E.

PRAYER

Please pray for the new Support Raising Training Webinar in the fall. Pray that the Lord would open doors and provide direction so more missionaries would be equipped.

Please pray for the Missionary Candidates that I continue to coach. Pray that the Lord would give them favor with their support raising efforts.

Please pray for our family that the Lord would continue to bring wisdom, provision, healing and strength.

***Your support continues to impact and equip missionaries.
Thank you for your investment in raising up leaders for the "harvest".
We couldn't do this ministry without you.***

**Yours for the souls of collegians~
