July Prayer Letter 2016

**Dear Gregg**

## **Fruit Of Your Investment:**

*I've been working with Christine and Hilton Johns for several months. Their passion like all of our Chi Alpha missionaries is to impact their university and be involved in global missions. Below describes a recent missions trip where they both ministered to Kenyans as well as scouted out future mission trips to involve students in global missions.*

## Johns' Letter

Dear Gregg, This month has been full of adventure, challenge, and miracles. Representing Chi Alpha New Orleans, we were part of a team that served the last part of June in the bush of Kenya reaching unreached areas of a people group called the Maasai. While there we had 45 different ministry opportunities including sharing the gospel at 2 schools, 3 church services, a city crusade, and visiting family villages, called "bomas", to share the good news about Jesus and what he has done in our lives.

God moved in incredibly ways. Total, we saw more than 665 people commit their lives to Christ, 2 blind people receive their sight, 4 deaf people healed, and 70 filled with the Holy Spirit. In addition, we saw several others healed of malaria, back problems, and stomach issues. There were 6 plots of land given to build churches on and countless men and women delivered from addictions to alcohol and drugs. It was phenomenal, like we were living in the book of Acts!

### PLEASE PRAY FOR:

- \* The Johns to complete their funding by August 15th, 2016.
- \* Their ministry to launch STRONG in AUGUST 2016 with their team.
- \* HOLY SPIRIT REVIVAL on their campus and ministry.

### PLEASE ALSO PRAY FOR:

- \* Gregg's as he attends the XA state directors conference called DRC (District

Resource Conference). **July 19-24, 2016.**

\* Safe travel and great ministry, vision and equipping among this top level of leadership.

\* Gregg and Erin, for God to continue to minister in them and through them.

**THANK YOU!**

Gregg & Erin
