### Missionary Candidate Orientation, March 20-26, Springfield, MO

It's a blessing to work with each of these Chi Alpha Campus Ministry leaders. Half of this group I've just completed working with as they are fully funded and will now launch into their missions career. The other half I'm just beginning to work with, as they are Candidate Missionaries (listed below). My job is to invest in their lives, train and coach them as they raise their support. Please pray for the Holy Spirit to work powerfully in the lives of all of these missionaries.

### 60 Missionaries Impacted

Aside from the personal coaching ministry, the last 3 months 60 missionaries have been trained through the website and materials Gregg has developed. From the Assemblies of God US Missions departments to four Chi Alpha Area training conferences, missionaries from coast to coast have been impacted. The focus of the training is for personal transformation through building strong spiritual and skill foundations. **The "bottom line" is that fully funded missionaries are able to take care of their family's needs and have freedom to focus all of their energy on their mission.** THANK YOU for helping to equip 60 missionaries and launch them into their mission's field for Christ!

### Gregg's Greeting

We are excited about the expansion of ministry and impacting missionaries. We could not do this without you! Please continue to pray for Gregg and Erin for God's full provision in their lives and effectiveness of his call upon their lives. We love and appreciate you! Gregg and Erin
