## Pray For:

### New Support

The journey continues as we focus on raising \$1400 per month. Please pray with us for God's favor and divine connections to meet our need. Thank you!

### XA Great Lakes Area Training

The Great Lakes XA leadership team opted this year to replace their weekend support raising training with Gregg's month-long webinar training. Each missionary will receive about 20 "contact hours" of training and utilize 30 on-line apps. Each week they will have a 75-minute live webinar, a 60-minute peer coach session, 2-3 hours of homework and personal practice time. The course is designed for each missionary to experience significant spiritual and skill transformation.

\*Please pray for missionary "sign-ups" and my final preparations to go well the next two weeks. March 30th is the deadline and April 4th begins the course.

\*Pray for Holy Spirit anointing to flow through the entire event.

\*Pray that the training course will be "life-changing" for each missionary.

*Equipping and placing missionaries to reach collegians for Christ,  
Gregg & Erin*
