Gregg & Erin Glutting

May Prayer Letter 2016

Dear Gregg,

Fruit Of Your Investment:

Mac and Mindi Holderfield are nearly ready to launch. You've helped to make this a reality! Their passion is to reach students on the east coast at the University of Maine. THANK YOU for your investment in their lives since September 2015.

Meet the...

The Holderfields ***University of Maine Chi Alpha***

Mac & Mindi Holderfield

Four years ago, after graduating the University of Central Arkansas, Mac and Mindi entered missionary service with Chi Alpha Campus Ministries in Conway, AR the same month they were married. During the past four years, they have completed Campus Missionary in Training (CMIT) internships, served on staff 3 years in two states, raised up new leadership at both campuses, disciplined students who are now discipling other students at both campuses, led missions teams to inner-city Philadelphia, Southern Africa, and Haiti, recruited a pioneering team for their target ministry, purchased their first home in Maine, and just brought home their first born, Gabriel Oren on January 12th, 2016.

Their assignment is to pioneer Chi Alpha Campus Ministry at the University of Maine Orono, the flagship of the UMaine system. Some exciting facts and vision for God's transformation:

Maine: second least churchd state in the nation (Gallup)

*UMaine enrollment: 11,500 students
Less than 1% of students currently involved in a campus ministry
Over 600 international students from more than 70 countries
Planting XA with a team rather than as an individual or couple*

PLEASE PRAY FOR:

- * Mac to complete his funding by June 30th, 2016.
- * Their ministry to launch STRONG in AUGUST 2016 with their team.
- * REVIVAL fires of the HOLY SPIRIT to decent on their campus and ministry "plant"!

PLEASE ALSO PRAY FOR:

- * The other 13 missionaries that Gregg is ministering to on a weekly basis.
- * Gregg's work with national Chi Alpha's Leadership Development Support Raising Training and Coaching.
- * National Chi Alpha's training conference for new missionaries June 8-15 in Springfield, MO, called RUI (Reach the University Institute).
- * Gregg and Erin, for God to strategically advance His Kingdom through their lives.

THANK YOU!

Gregg & Erin
