November Prayer Letter 2016

Dear Gregg

Louisiana Fall Retreat

Oct 2016, over 400 Chi Alpha folks attended

Reaching International Students

Tony and Lindsey Jones (front right), Chi Alpha missionaries to McNeese State University, LA (Gregg is Tony's coach).

First row, middle is a Japanese Atheist student named Asami. Before Fall Retreat she was completely closed to Christianity and refused to come to any Bible study or worship service. Through the faithful love of XiXi (Chinese Chi Alpha student leader to Asami's left), Asami came to Fall Retreat and is now wanting to learn more about Jesus! Asami and XiXi will be meeting weekly to discuss Jesus and other aspects of Christianity. Please pray for Asami!

It's exciting to have missionaries on university campuses. Our passion is to not only reach Americans, but also reach internationals with the Gospel of Jesus Christ!

Transforming Missionaries

About 40 missionaries and staff attended the US Missions Candidate Orientation September 16–22, 2016 in Springfield, MO. Jeff Alexander and

Gregg Glutting were the lead trainers for support raising training. U.S. Missions adopted the methods and materials to train missionaries that Gregg developed (that he has been using with XA staff for 5 years). It was a delight to not only provide training, but to see the "ah-ha" moments when it became "transformational" for the candidate missionaries.

The Assemblies of God has 7 departments: Chaplaincy, Chi Alpha, Intercultural, Church Planters, Teen Challenge, MAPS, and Youth Alive. Candidate Orientation trains U.S. missionaries from all 7 departments.

Dallas SRT Fly-IN

Along with Gregg's responsibilities as the national SRT (Support Raising Training) coaching director, in July 2015 he was appointed as the national SRT training director. His first meeting to bring together all of the SRT trainers across the US will happen in Dallas on November 13-16, 2016.

Gregg is delighted to meet with this "elite" group of trainers, to invest in their lives and upgrade their training. Nineteen Chi Alpha SRT trainers, lead SRT training in 12 locations across the U.S. They train our entry level Chi Alpha leaders who are "give a year" missionaries or entering a CMIT (Campus Missionary In Training). The CMIT missionaries are beginning their internship program for a career in missions. We collectively train over 100 new Chi Alpha missionaries every year.

The goal for the Dallas SRT Fly-In is to equip and prepare the trainers with Gregg's new methods and materials to use in their spring weekend training events. Additionally they will establish plans and goals for future SRT development.

PLEASE PRAY FOR:

* Dallas SRT Fly-In. Pray for a powerful Holy Spirit time with these key leaders. Pray for our times of seeking the Lord, training trainers and developing training for entry level Chi Alpha missionaries across the U.S. Pray for effectiveness and excellence.

* TWMS4 – The World Missions Summit is held every 4 years. Our last gathering had over 4,000 XA students and staff. The TWMS4 dates are January 4–6, 2017, in Houston Tx. Pray for powerful services and for God to call students to full time career missions ministry. Check it out at: <http://twms4.com>

* Erin and Gregg are both seeing good progress for health concerns. Please continue to pray for divine health and strength to fulfill God's call. Pray for Gregg as he leads the Dallas SRT Fly-In for wisdom, strength and kingdom impact.

We love and appreciate you!
