

Rev. Gregg D. Glutting

National Chi Alpha Support Raising Specialist

What do you do? The Support Raising Specialist coordinates support-raising training and coaching to equip our missionary personnel to achieve and maintain fully funded budgets.

Gregg's ministry time is mostly spent discipling, coaching and training next generation Chi Alpha missionaries as they raise funding. They are then placed on university campuses across America as career missionaries.

Why do you do what you do? My passion is to see collegians come to faith in Jesus Christ. The best way to reach collegians is to place a fully funded career missionary on a university campus.

Involvement in XA: began ministry full time at Michigan State University in 1982, have been XA staff for 36 years

Age: 61 (June 23, 1957)

Born: Detroit, MI
