Hundreds have received Christ this year! We are praying and contending for the **“next great awakening”!** Our passion is to win collegians to faith in Jesus Christ. Our passion is to disciple and

equip them to **impact their world for the gospel**, both on campus and also after they graduate!

Mobilizing Leaders

It is such a delight to mobilize and invest in leaders until they become funded and placed on a university campus. It’s also a great joy to see **how the Lord impacts their heart and changes their lives through this process.**

Additionally, in **September Gregg trained 19 missionary couples** at US Missions Fall Candidate Orientation in Springfield, MO. Five departments were represented, and about half of the group were Chi Alpha leaders.

It was a powerful week of training. US Missions has a wide variety of **missionaries reaching various people groups** for Christ in America.

Missionaries from MAPS, Youth Alive, MCPD, Chaplains, Intercultural and Chi Alpha were present. These missionaries are called to reach Arab people, the disabled, the addicted, foster families, native Americans and collegians.

Prayer!

1. Please pray for great success for Gregg as he **develops a national network** of trained support raising discipleship/coaches to work with our 200 entry level missionaries we “launch” each year.

2. Please continue to pray for Erin and Gregg for **good health and Holy Spirit anointing** for life and ministry.
