## Uniquely Equipped

Chi Alpha Campus Ministries are uniquely equipped to minister during the Covid restrictions. As campuses are on partial or complete lockdown, the usual September outreaches have had to be “reimagined” and shifted with new campus guidelines.

Each Chi Alpha ministry has trained student leaders who pastor small groups of students. These men and women have a heart to pray and minister to students for Jesus. It’s been exciting to hear reports of students responding with great hunger to connect relationally with other believers and with the Lord.

## Prayer Culture

Pictured above, Jay Seidler, Dayton Chi Alpha is meeting with his small group leaders, praying for their ministry to students in this new school year. Jay shares: “Prayer is a vital part of our ministry and culture. We are so proud of their hard work, love for Jesus, and heart for students!”

## Prayer Requests

**New School Start Up.** Pray for the more than 1,400 Chi Alpha ministers on 300+ campuses for God’s wisdom, strategies, and Holy Spirit connection to minister to returning students and reach out to new students.

### Sept 19-22, virtual US Missions

**Candidate Orientation.** We have 5 new Chi Alpha Candidate Missionaries. Pray for a great start as we begin to work together.

## Gregg’s Greeting

We thank the Lord for you and your generous financial support! Please pray with us for those who’ve been unable to support during the Covid season. If you are able to increase support, or add an additional gift, it would be greatly appreciated.

Love in Christ,
