The Future of Chi Alpha

What do these individuals have in common? Each one is a part of the Class of 2021 for national Chi Alpha's Reach the University (RUI) staff training conference! Over 400 Campus Missionary-in-Training (CMIT) interns met in Springfield, MO, (June 2021) for a week of training and spiritual growth. In August, they began their 10-month CMIT internships hosted by local Chi Alpha directors on over 70 university campuses across the U.S.

And just imagine, a year from now, most of these leaders will start a career as Chi Alpha missionaries! Some will pioneer new groups, and others will become associate staff for existing ministries. Please pray for God to fulfill His divine plan through their lives.

Gregg's Greeting

Fall "start-up" is an exciting time of the year! Students have arrived/returned to campus, as most campuses are "open for business." Unfortunately, so is the enemy of their soul. As students carve out their lives and careers, they also make decisions about their destiny and eternity. Even more than ever, students are hurting inside and searching. The answer for their life is Jesus Christ.

- Please pray with us for God to open hearts and change lives.
- Pray for supernatural connections through the 1500 XA leaders and Christians on campus to reach the lost.
- Pray for a spiritual awakening in our nation. Lord, let it begin in our homes, on our campuses, and in our churches across America.

Your prayer and financial support for our ministry is so appreciated. **THANK YOU!** You've impacted most of the leaders pictured above as they've gone through the training that I lead and oversee. Your support is launching the next generation of XA missionaries. **Fun fact: almost half of those pictured did not know Christ when they began their university experience.** And now they are following the Lord into career missions!
