## Dear Friends, Launched

What a joy it is to work with these leaders. In Sept 2021, half of them launched their university ministry as fully-funded nationally appointed Chi Alpha missionaries. I began discipling the other half of the group in Sept.

**Your support impacts their families, ministries, and the students they'll reach with the gospel of Jesus Christ!**

Below are the campuses they are ministering on, with a combined total of more than 150,000 students. Pray with me for a mighty move of God through these leaders and on their campuses.

Indiana/Purdue University, Indianapolis, IN	University of Colorado, Boulder, CO
Loyola University, Chicago, IL	University of Denver, Denver, CO
Spelman College, Atlanta, GA	University of Louisiana, Monroe, LA
Stephens College, Columbia, MO	University of Vermont, Burlington, VT

University of Hawaii, Manoa, HI	Western Colorado University, Gunnison, CO

## Encountered

Amber grew up in an abusive household, and she was abused most of her life. She became angry, depressed, and never knew her value. Consequently, she experienced several abusive relationships, hated men, and felt empty inside.

In Chi Alpha, several leaders kept inviting Amber to attend a large group meeting that she continually ignored. But after she reached a breaking point, Amber came out to Chi Alpha and powerfully encountered God. She decided to follow Christ. Over the next several months of being saved, God changed her day by day. The Lord has brought great healing and restoration to her life. Univ. N. TX.

## Gregg's Greeting

Amber's story is why we do what we do. Collegians are searching, and most do not know the truth that Jesus Christ lived, died, and rose from the dead to purchase their salvation. We are committed to sharing the good news that brings healing and transformation. **Thank you** for helping us send workers into the harvest field.

*Have a very blessed Christmas and New Year!*
