XA Census

The 2022-2023 school year was tremendous for us in Chi Alpha; see stats below. Erin and I are so blessed to be a part of this national organization. And we are so privileged to have you partnering with us. Our heart and passion is to reach, teach and send university students for the gospel of Jesus Christ. The best way to accomplish this is to place full-time, fully funded, healthy missionaries on university campuses. And that is what you are helping us do. THANK YOU! Also, please pray for a tremendous 2023-2024 school year for XA groups, missionaries and a great awakening in the hearts of students across America.

Much Love, Gregg and Erin

Nationally Appointed Candidate Missionaries (senior level staff)

It's exciting for me to minister to next-generation missionaries every week. Each leader has a larger budget to raise as a national candidate. They step away from local ministry and devote themselves full-time to the process. It usually takes 6 months - 1 year. During that time, I provide training, discipleship, and accountability. Most are ministry directors, and many will pioneer new ministries upon receiving national appointment. Please pray for their marriage/family/spiritual life and financial partnership teams. Pray also that they'll be fully funded and return to local ministry quickly to impact their campus for Jesus Christ.
