## Thousands Upon Thousands...

Imagine the huge “in-flux” of thousands upon thousands of students who have moved onto university campuses across our nation in the last few weeks! Each student comes to campus with great hopes and dreams for their life and future. But little do they know that the enemy of their soul has plans to destroy their life and eternity.

## But God...!

But God has different plans. He reaches out to them through every Chi Alpha Campus Ministry across the US! Teams of students reach out, to greet and welcome students, especially the freshman class.

They help them move in and have a slew of welcome week activities to build relationships. The friendships freshmen make over the first 4 weeks on campus will impact their life, destiny and eternity and we work hard to have God at the center of that impact.

Every freshman they meet is invited to a small group Bible studies and a large group worship services on campus to share the love and message of Jesus Christ. The goal is to have their lives changed and transformed by the living God. Pray with us for God to connect to the hearts of the freshman class this fall semester. Pray that friendships will be built and will be a bridge that Jesus will walk across into their lives.

Thank you for your prayer and financial investment! You are help me raise up the next generation of missionaries to reach collegians with the Gospel of Jesus Christ!

**Yours for the souls of collegians,**

*Gregg and Erin*
