Changed...

Jonathon Miller’s Chi Alpha ministry at Austin Peay, TN, has grown significantly since he pioneered a few years ago. The fruit of his ministry is a part of your eternal reward because you enabled me to invest in Jonathon’s life. My passion is to see students’ lives changed by the power of Father God, and YOU are helping to make that happen!

Here’s some great testimonies from their fall retreat:

God cleansed my heart and saved me. He brought me to the light, and I am proud to call him my lord and savior. Zach

I struggled with anxiety. Last night, I had a strong moment with God, and today is the first day I can remember my mind being at peace. Steven

I really believe now, and it's like God reached out to me, and I trust him. Brenton

I want to submit to the Holy Spirit. I surrendered oppressive evil thoughts and feel that God truly removed them from me. Molly

I connected to Chi Alpha because of my friend. I am glad I did because I gave my life to Jesus. Ariana

I am having fun experiencing God and am different. It's what I was told I would experience, but now I really believe it. A Buddhist

Erin and I wish you and your family the greatest blessings this Christmas season. May the celebration of Jesus’ birth fill you with love, joy, and peace from the Father of Lights! And may your New Year be filled with great faith and hope for all you are believing God for in 2025!

Your partnership is so dear to our hearts. We could not do what we do on our own. Your partnership is the LIFELINE for our ministry. THANK YOU for your love, prayer, and financial support! YOU are the BEST!

We love and appreciate you!
