## Missions!

Our passion is missions: missions on campus, missions in communities, and missions around the globe. Our ministry is all about sharing the love and message of Jesus Christ to transform lives, depopulate hell, and populate the Kingdom of God!

Chi Alpha's vision statement for missions is:

- \*Every student goes on a cross-cultural mission trip at least once in their collegiate career
- \*Every student gives sacrificially to missions
- \*Every student prays for the nations of the world

This spring, over 2000 Chi Alpha students were involved in mission trips. There were 156 teams state-side, and 47 teams were on international trips. And I love that the international trips went to 25 different nations worldwide.

Another exciting statistic is that 40% of new career AG World Missionaries have a background as Chi Alpha missionaries. You are sending Chi Alpha missionaries across the U.S., and many of these leaders later transition to global mission fields. Just imagine that your partnership is also helping to raise up the next generation of world missionaries.

Thank you for your prayers and financial support for missions!

**Yours for the souls of collegians,**
